

2017 MASITE PROJECT OF THE YEAR

Submissions Due by 5:00 PM on Friday, September 1st, 2017

Submissions for the 2017 MASITE Project of the Year are now being accepted. The Section's intent is to recognize and honor the accomplishments of the associated project team for superior performance and execution of exemplary engineering and project management, the outcome of the transportation study or project, as well as the effects of the study or project itself. The following criteria will apply for award submissions:

- Transportation Study or Project must be located within the MASITE region, including Delaware, Pennsylvania, southern New Jersey, and West Virginia
- Transportation study, design or construction of the project must have been completed between September 1st, 2016 and August 31st, 2017
- Provide study, design or construction costs (or estimated construction costs), as appropriate for the project

Judging of the submissions will be based on the following criteria:

- Complexity and uniqueness of the project
- Transportation system benefits and significance within the region
- Aesthetics

Submissions are due **no later than 5:00 PM on Friday, September 1st, 2017** in order to complete the judging and present the winning submission with the award during lunch at the 2017 MASITE Annual Meeting at the Renault Winery in Egg Harbor, NJ on October 2nd. Judging will be completed by the members of the MASITE Board.

All submissions should be provided in electronic pdf format by email to **Nick Ross of HDR, Inc.** (Nick.Ross@hdrinc.com), including the attached one page submittal form and additional project information **not to exceed three pages**, including a description of the project, photographs, graphics, and a description of why the project is deserving of this award.

Submissions must also include the preparation of a 24" by 36" mounted board to be provided for display at the 2015 MASITE Annual Meeting, with project photos and a summary description. Please provide a pdf and an image file of this display board with the application for judging purposes. The mounted board should be prepared and delivered to the Renault Winery in Egg Harbor, NJ on October 1st. Please note all submissions become the property of MASITE and will not be returned. Materials will only be used by MASITE for display at the annual meeting, as well as within MASITE promotional materials (meeting brochures, newsletter, etc.).

If you have any questions, please contact Nick Ross at 412-497-6034 (Nick.Ross@hdrinc.com) or Nicole Kline at 610-594-9995 (nkline@mcmahonassociates.com).
